ELIGIBILITY REQUIREMENTS FOR SCHOLARSHIPS

The Cape Cod Classics Car Club shall maintain a scholarship fund that will be used for assistance in the furtherance of education in a college, university or school of higher or extended learning. Scholarships will be awarded each year provided that compliance with the requirements below is met.

Eligibility for scholarships to be awarded to students will be based on the following requirements in the order as listed:

1. Graduating high school senior entering a college or university to study in a related automotive field whose mother or father is a Cape Cod Classic Car Club member.

2. Graduating high school senior entering a college or university to study in a related automotive field.

3. Graduating high school senior entering a college or university whose mother or father is a Cape Cod Classic Car Club member.

Scholarship monies shall be awarded in their entirety to students chosen by the Cape Cod Classics Car Club upon receipt of the student's first semester passing grades. Scholarships monies will be issued directly to the school attended by the recipient.

Application letters will be submitted to the Cape Cod Classics Car Club for review by April 1st. Application letters must include name, address, telephone number, past accomplishments while in school including grades, academic standing in class and goals for the future. The application letter shall also include reasons the applicant is worthy of the award, including their financial need.

The Cape Cod Classics Car Club will review the application letters and determine those chosen for scholarships. The names of those chosen shall be forwarded to the principal of the school from which the student shall graduate by April 15th.

The selection of the Cape Cod Classics Car Club scholarship shall be final.
