ELIGIBILITY REQUIREMENTS FOR TOOLSHIPS

The Cape Cod Classics Car Club shall maintain a toolship fund that will be used for assistance in the furtherance of employment in an automotive related industry. Toolships will be awarded each year provided that compliance with the requirements below is met.

Eligibility for toolships to be awarded to students will be based on the following requirements in the order as listed:

1. Graduating high school senior entering employment in a related automotive field whose mother or father is a Cape Cod Classic Car Club member.

2. Graduating high school senior entering employment in a related automotive field.

Toolship monies shall be awarded in their entirety to students chosen by the Cape Cod Classics Car Club upon proof of employment.

Application letters will be submitted to the Cape Cod Classics Car Club for review by April 1st. Application letters must include name, address, telephone number, past accomplishments while in school including grades, academic standing in class and goals for the future. The application letter shall also include reasons the applicant is worthy of the award, including their financial need. Students may also submit letters of recommendations and letters from their employer.

The Cape Cod Classics Car Club will review the application letters and determine those chosen for toolships. The names of those chosen shall be forwarded to the principal of the school from which the student shall graduate by April 15th.

The selection of the Cape Cod Classics Car Club toolship shall be final.
